Narrative: Report of Investigation

On 11/28/2007, at approximately 2100 hours, Border Patrol Agent Ramiro Ramirez was conducting his primary inspection duties at the S.R. 94 Checkpoint located in Jamul, California. All lights and warning signs were functioning. At this time, a blue Toyota Corolla driven by HAYNES III, James approached his position. Ramirez motioned for the vehicle to stop and when it did so he identified himself as a Border Patrol Agent and inquired as to the citizenship of the driver. HAYNES stated that he was a citizen of the United States. Agent Ramirez noticed that HAYNES and his passenger, later identified as MAYFIELD, Michael, Felix were acting very nervous and overly cooperative. Agent Ramirez asked HAYNES if he could look inside the trunk and he said, "Yes." An inspection of the trunk revealed two individuals attempting to conceal themselves. Both individuals admitted to being citizens and nationals of Mexico illegally present in the United States without proper documents. All four individuals were transported to the Brown Field Border Patrol Station for processing.

Smuggler Statement:

HAYNES stated that he had no idea how anyone got in his trunk. He said he had no idea how any of this could be happening. He said he just went to go pick up his friend.

Aliens' Statement:

Both of the aliens stated that they were going to San Diego. Each individual stated that a family member had made arrangements with unidentified individuals for them to be taken to San Diego. Both of the individuals stated that they were instructed to jump the fence just west of the Tecate Port of Entry, walk 20 minutes until they reached a truck lot and wait for a short period. After waiting for a short period of time, a vehicle arrived and they got in the truck and the trunk closed. They were in the trunk until the agent opened it at the checkpoint.
